The Northbrook-based North Shore-Barrington Association of Realtors gave U.S Rep. Jan Schakowsky, D-9th, its 2003 humanitarian award Monday. The award is given annually to those who make an outstanding contribution to boosting equal housing opportunities. It recognizes commitment to community services that enhance the quality of life.

The congresswoman was recognized for legislative efforts to expand housing opportunities for low-income people, to increase assistance for abused women and children, farmers, and small business owners, and to increase protections against identity theft and predatory lending practices.
