SCHAKOWSKY VOTES TO PROTECT ENVIRONMENT, REDUCE GLOBAL WARMING

Washington, D.C. – U.S. Representative Jan Schakowsky (D-IL) applauded the passage

“I am delighted that the Democratic-led Congress took action today to protect our environ

The 2008 Interior and the Environment Appropriations bill includes new resources and su

- Funding for the Clean Water State Revolving Fund, which supports projects that improv
- Sewer and Water Grants to support the construction and improvement of water systems
- New resources for the Superfund hazardous waste clean-up program.

The legislation also makes climate change research a key priority, boosting federal invest

“Climate change is a serious threat to our environment and our nation,” added Represent

Finally, the bill includes new resources to support the preservation and protection of Ame
