Ranking Member Laura DeLauro
House Appropriations Committee
1036 Longworth House Office Building
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the **Boys & Girls Clubs of Chicago's Pederson McCormick Accessibility Improvements project** in fiscal year 2024. The entity to receive funding for this project is Boys and Girls Clubs of Chicago, 2102 West Monroe Street, Chicago, Illinois, 60612. The funding for this project would facilitate the installation of a new elevator and ADA-accessible ramp at the Boys & Girls Clubs of Chicago's Pederson McCormick Club.

The project has a Federal nexus because the funding provided is for purposes authorized by CDBG – Economic Development Initiative section 5305(a)(4) – clearance, demolition, removal, reconstruction, and rehabilitation (including rehabilitation which promotes energy efficiency) of buildings and improvements (including interim assistance, and financing public or private acquisition for reconstruction or rehabilitation, and reconstruction or rehabilitation, of privately owned properties, and including the renovation of closed school buildings) and 5305(a)(5) – special projects directed to the removal of material and architectural barriers which restrict the mobility and accessibility of elderly and handicapped persons.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jan Schakowsky
Member of Congress
