Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for **County of McHenry's Randall Road Improvements project** in fiscal year 2024. The entity to receive funding for this project is the County of McHenry, 667 Ware Road, Woodstock, Illinois, 60098. The funding for this project would facilitate significant improvements to this busy thoroughfare, including road widening to six lanes of traffic, various intersection improvements, installation of a multi-use path on the east side of the road and a sidewalk on the west side. These changes will increase capacity and safety and encourage economic growth within the area.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b) (Surface Transportation Block Grant Program) as it is for the construction of a highway on the National Highway System (NHS).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jan Schakowsky  
Member of Congress
