Ranking Member Laura DeLauro
House Appropriations Committee

Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the **Crystal Lake Crystal Creek Re-Establishment project** in fiscal year 2024. The entity to receive funding for this project is the City of Crystal Lake, located at 100 W. Woodstock Street, Crystal Lake, Illinois 60014. The funding would be used to re-establish Crystal Creek, providing for appropriate flow of storm and flood waters and alleviating harm to surrounding areas outside the designated creek area.

The project is an appropriate use of taxpayer funds because it would alleviate significant flooding issues. The project has a Federal nexus because the funding provided is for purposes authorized by section 203 of the Stafford Act (42 U.S.C. 5133), as amended by Section 1234, National Public Infrastructure Pre-Disaster Hazard Mitigation, of the Disaster Recovery Reform Act (DRRA) of 2018.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jan Schakowsky
Member of Congress
