Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the **Hamdard Health Center Operational Modernization & Enhancement Project** in Fiscal Year 2027. The entity to receive funding for this project is the Hamdard Health Alliance, 1542 W. Devon Avenue, Chicago, Illinois, 60660. This project will facilitate capital improvements to Hamdard Health Alliance's federally qualified health center on Devon Avenue in Chicago, including building rehabilitation, ADA accessibility upgrades, and mechanical and electrical modernization. Hamdard serves over 4,000 low-income, Medicaid, and uninsured patients annually, and these improvements will ensure the facility can continue delivering integrated primary and behavioral health care in a safe and accessible environment.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jan Schakowsky  
Member of Congress
