CONCURRENT RESOLUTION

Supporting Israeli democracy.

Resolved by the House of Representatives (the Senate concurring), That it is the sense of Congress that—

1. democracy is at the core of the special relationship between the United States and Israel;
2. Congress opposes actions that undermine Israel’s future as a Jewish, democratic state; and
3. Congress stands with all Israelis seeking to defend liberal democracy, judicial review, and independent political institutions acting in a system of checks and balances.
